LATINO STRATEGY INSTITUTE

THINK TANKS

Engage local decision makers from non-profits and businesses in dynamic sessions to explore and discover the root causes of challenges that hinder the Latino community.

GOAL

Collaboratively uncover the underlying factors and root causes contributing to disparities within the Latino community.

ACTIVITIES

3 hours of design thinking and systems mapping methodologies to facilitate interactive and collaborative exercises.

IMPACT

Ignite a collective call to action that empowers us to implement targeted solutions for a more equitable future.

HOSTING A THINK TANK WILL EMPOWER YOUR COMPANY TO DRIVE SOCIAL IMPACT, GAIN ACTIONABLE INSIGHTS, AND LEAD THE WAY IN INNOVATION AND INCLUSIVITY.

THE CONCILIO'S ROLE

- Tailor Think Tank session and presentation to the organization
- Facilitate the workshop
- Provide materials for workshop
- Provide workshop space for up to 20 people if agreed upon
- Process the collected data and share back to the host organization

YOUR ORGANIZATION'S ROLE

- Provide a venue for the workshop (if not held at The Concilio)
- Send out invitations and secure participants
- Provide refreshments

The Power of Think Tanks: Our think tanks are designed to bring together **diverse** voices from multiple industries, facilitating **cross-sector collaboration** and deep exploration of the factors that contribute to these disparities. Through structured discussions and advanced problem-solving techniques, such as design thinking and systems mapping, we aim to uncover **root causes** and generate **actionable insights**.
